## FRIEZ

MARYLAND

'95-'96

## **EDITORS NOTE**

In an attempt to capture an entire year through only pictures and many memories, we hope that *The Frieze* will help you to successfully reflect on the past.

We tried our best to capture the pride of Maryland's greek system and to represent the aspects that matter the most, confident that the memories will carry on.

~"It is comforting to know that we are sisters; that we can share our thoughts with each other in confidence, that we can listen and care for each other with love and concern. It makes my heart glad to know that we are sisters, and I want to tell you how much we care and how often we will think of you. "~~
